

# All My Life

Uriah Heep

I had a little look  
For a minute today  
And I told there was something  
That I wanted to say

Just sitting there glowing  
With her red light on  
So I've gotta make fast  
And it shouldn't take long

Maybe she will  
Maybe she won't  
We can get it so together  
If she doesn't say don't

I've never ever thought  
I was looking for a wife  
But I think I could love her  
For the rest of my life

I only took one 'cause  
I couldn't take two  
I want to make love  
And it's gotta be you

Every little thing that  
I ever tried to say  
Is coming out right  
In my own kinda way

Take it, make it  
It really feels fine  
She must be Lady Luck  
If she's gonna be mine

I will love you all my life
