So what can I do, what can I say
Do I have to stand and
Watch you walk away
I know there's got to be
A better way
I just can't go on living for today

I thought I heard a voice
Out on the wind
And I'm sure I heard it say
I'd find a friend
And it said I'd find
The answers in the end
All I gotta do is carry on

Carry on, carry on, the time is flyin'
You need another love
Maybe another town
Carry on, carry on
Don't wait until your hope is gone
When your last chance
Comes round

I'm gonna keep on looking
I won't quit
Aggravation
It ain't gonna hurt a bit
And I believe that
I have seen the last of it
There's nothing left to do
But carry on
