## Cheater

**Uriah Heep** 

Cheater, I know where you've been Cheater, your lies can't hide your sin Cheater, don't ask me how I've know Cheater, I guess it's time for you to go

I'm tired of chasing shadows So illusive in the night And your empty words That leave me high and dry Now the curtain's finally fallen On this fantasy affair You've had me for the last time With your lies

Cheater, you're a cheater I know where you've been Cheater, your lies can't hide your sin Cheater, don't ask me how I've know Cheater, I guess it's time for you to go

The voices in the wind I heard Kept telling me to run Whispering a warning to my heart And the voices deep as thunder Tried to speak of things to come I was blinded then But now I see the light

Cheater, you're a cheater And I know where you've been Cheater, mean mistreater Your lies can't hide your sin Cheater, don't ask me how I've know Cheater, I guess it's time for you to go

Cheater, I know where you've been Cheater, you're a cheater Cheater, you're a cheater Cheater, I know where you've been Your lies can't hide your sins Cheater
