Confession

Uriah Heep

I'm so sorry for the things I've done And the times it went a little wrong Try to understand that I made my plans With my love for you in mind

Sometimes you get the wrong idea
And I can't seem to make it clear
If my heart doesn't show it's cause I don't know
The best way to say I love you

Every living day you fill my heart With a breath of spring
And I search the universe for some joy
That I can bring
To you

Every living day you fill my heart With a breath of spring
And I search the universe for some joy That I can bring
To you!
