

Feels Like

Uriah Heep

I can feel your sadness
From what I said to you
I'm drinking my forgiveness
So restless and confused
I don't know what I see
But it looks a lot like love
Showing me something
Deeper then deep in my soul

And it makes me feel like
I'm at the point of no return - feels like
I'm at the point
It makes me feel like
I'm at the point of no return - feels like
I'm at the point

I was drifting through the days
With nowhere else to turn
I finally discovered
How much I have to learn
I shouldn't be afraid
For you to bring my love
Taking me somewhere
Deeper than deep in my soul

This time my heart will lead the way
To win the game you've got to play

You love me like a lover
I see it in your face
No need to think it over
No need to run the race
I don't know if you planned it
But you're driving me insane
Telling me something
Over and over again
