

Footprints in the Snow

Uriah Heep

Just like footprints in the snow
Who knows where my heart will go
Will it lead me to you
Or will I see another empty day

Seasons come and quickly go
Kinda makes me
Wonder if they know
Why my heart keeps
Running near and far
If only they could tell me
Where you are

If you've ever been in love
Then you'll know the rocky road
I've been speaking of
You'll remember when
The times were good
And the times
You had to do without
Think carefully my friend
It may look like a start
But it could be the end

I'm not trying to bring you down
I'm just so tired of hangin' around
I won't make
The same mistake again
