

I'll Keep On Trying

Uriah Heep

You came to me
With all of your lies
And I was taken in so well
It took me quite a time
To see the disguise
You made it very hard to tell
Now here you are again
But you're begging in vain
'Cause I really don't want to know

You came to me
With a little bit of charm
You had me down on my knees
I didn't really think
There was any harm
But all you ever did was tease
You took all the love
That I ever had to give
There was nothing left to show

Well, I remember everything
Everything around me
The long dark of winter
Till the breath of spring
Came close enough to drown me

So I'm gonna keep on trying
Till I feel like dying
And I lay down and pass away
But that won't happen till tomorrow
And by then I can
Borrow another day
So I'm gonna keep on trying
