

Lucy Blues

Uriah Heep

Well, the very first time
I saw you darling
Not one single word
Would come to my lips

Yes, the very first time
I saw you darling
Not one single word
Would come to my lips

You see, I was so afraid
You wouldn't love me
I want to tell you right now
I was frightened right down
To my fingertips

So baby, when you went away
That unlucky day last September
I was like a little lost boy
In the wilderness
Baby baby baby
When you went away
I was like a little lost boy
In the wilderness

And I've just been sitting here
Thinking of everybody
I've ever known
Well, you know
I still love you the best
Yeah, the best
