

# Midnight

Uriah Heep

I just lay down wonderin'  
What to lay down  
Lately I can do it  
Every day undisturbed  
I think I know what  
But I can't find out how  
The morning didn't show me  
What it was worth

Miles and miles of smiles  
Getting me nowhere  
Opportunities I just can see  
Can't lead me to the slaughter  
'Cause I'll already be there  
I've been up that street  
And I know what's waiting for me  
Just waiting

Midnight, moonlight  
Day into day  
No escape I must stay  
Midnight, show me the way  
Show me the way  
Give me something to play  
Something to play  
To help me make the new day

Take me out of the darkness  
Into the light  
I've no friends to stand by me  
Here in the night  
It's an affair of  
A sad and weary heart  
Take me out of the darkness  
Back to the start

I just lay down wonderin'  
What to lay down  
Lately I can do it  
Every day undisturbed  
I think I know what  
But I just can't find out how  
The morning didn't show me  
What it was worth
