

Rain

Uriah Heep

1. It's raining outside, but that's not unusual
but the way that I'm feeling's becoming usual
I guess you could say
the clouds are moving away...
away from your days, and into mine

2. Now it's raining inside and that's a shame
and it's getting to me...a happy man
Why would would want to waste all my time?
The world is yours, but I am mine

R: Rain, rain, rain
in my tears
measuring carefully
my years
shame, shame, shame
in my mind
see what you've done to my life
