

Return To Fantasy

Uriah Heep

1. Searching every day
Looking every way
Trying to make a connection
To find a piece of the action
Like a hungry poet
Who doesnt know
He is close to perfection
Choice is the question

R: Moonlight night
After moonlight night
Side by side
They will see us ride
But if they cared to look
Then they would see
Its our return to fantasy
Fantasy, fantasy

2. Can you understand
That in every man
Theres a need to unwind
Thats never been defined
Somewhere deep within
Theres another being
You are somehow abusing
By the person youre using

R: Moonlight night...

*: Travelling faster than lightening
Closer than ever before
We can go on for you
And take you nearer to
The legend of mystery
From the beginning of time
Dreaming... time ... dreaming
We can return to
The land of the good and the kind
Time... dreaming... time... dreaming

Why dont you come to our party

And open your minds

3. In another place
Theres a newer face
Like an unfinished painting
Your creator is waiting
The brush and pen describe
What it is inside
That will set your mind thinking
While the others are sinking

R: Moonlight night
After moonlight night
Side by side

They will see us ride
But if they cared to look
Then they would see
Its just our return to fantasy
Fantasy, fantasy, fantasy, fantasy...
