- Searching every day
 Looking every way
 Trying to make a connection
 To find a piece of the action
 Like a hungry poet
 Who doesnt know
 He is close to perfection
 Choice is the question
- R: Moonlight night
 After moonlight night
 Side by side
 They will see us ride
 But if they cared to look
 Then they would see
 Its our return to fantasy
 Fantasy, fantasy
- 2. Can you understand That in every man Theres a need to unwind Thats never been defined Somewhere deep within Theres another being You are somehow abusing By the person youre using
- R: Moonlight night...
- *: Travelling faster than lightening
 Closer than ever before
 We can go on for you
 And take you nearer to
 The legend of mystery
 From the beginning of time
 Dreaming... time ... dreaming
 We can return to
 The land of the good and the kind
 Time... dreaming... time... dreaming

Why dont you come to our party

And open your minds

- 3. In another place
 Theres a newer face
 Like an unfinished painting
 Your creator is waiting
 The brush and pen describe
 What it is inside
 That will set your mind thinking
 While the others are sinking
- R: Moonlight night
 After moonlight night
 Side by side

They will see us ride
But if they cared to look
Then they would see
Its just our return to fantasy
Fantasy, fantasy, fantasy, fantasy...
