

Rockarama

Uriah Heep

Wind it up, here comes the video
It's that song again
Turn it up, it's on the radio

Charge me up, I got electric eyes
I won't fall down
Light me up
Just like a christmas tree
Or am I seeing things

Wind it up, turn it up
Charge me up, never stop
Wind me up, plug me in, turn me on
And give me rock'n'roll
Give me rock'n'roll

Strap me in to the rocket ship
I'm headin' for the sun
Tune me in to the mother ship
I must be seeing things

Wind it up, turn it up
Charge me up, please don't stop
Wind me up, plug me in, turn me on
And give me rock'n'roll

Rockarama, it's on the video
Rockarama on my radio
Rockarama on the stereo
Give me rock'n'roll ...

Plug me in jack to jack
Pin me to the wall
Hey leave that on, I'm on MTV
Now I'm seein' things

Wind it up, here comes that video
It's that song again
Turn me up, I'm on the radio
Or am I hearing things

Wind it up, turn it up
Charge me up, don't you stop
Wind me up, plug me in, turn me on
Give me rock'n'roll

Rockarama, it's on the video
Rockarama on my radio
Rockarama on the stereo
Give me rock'n'roll
Give me rock'n'roll
Rockarama, it's on the video
Rockarama on my radio
Rockarama on my stereo
Give me rock'n'roll ...
