

Seven Days

Uriah Heep

Don't care if the rain don't shine
Don't care if the sun don't fall
You are the one in a million child
And you knew that I would call

Thoughts of you alone with me
I can't slow then down
But I can't get to sleep at night
Because you're not around

I can't wait
Seven days is a long time to be without a girl
I can't wait
Seven days is too long to be waiting for you

I've tried every kind of distraction
But nothing will ease the pain
There is only one solution
So why do you make me wait

Got to say I didn't think
That I could read your mind
But I can't get to sleep at night
'Cause baby you're on mine
