## **Shout It Out**

## **Uriah Heep**

She took me for a ride in her car From the moment it started I knew We wouldn't get far That didn't matter it seemed Though I knew it went schemed And it was just like a dream

Oh, the joy of love was brand That's when I heard The little birds sing The day I first met my love Oh, the day I first met my love

Then we went walking in the park Away with the day Till the day became dawn Man hand in hand with the son Laughed at the rain When it came along

Oh, the joy of love was brand
As well the birds
As well the stars would sing
The day I first met my love
Oh, the day I first met my love

Am I really standing here with you Are you telling me you love me too Will it grow
Can we let the world know
Put it about, shout it out

The day I first met my love
