

Spirit of Freedom

Uriah Heep

I know instinctively
When something is right
With no one there to save me
You came into my life
The words you whispered
Still echo in my mind
Forget about tomorrow
Forget about time

So good to be alive and touch
The spirit of freedom - in your soul
So good to breathe the air and
Feel that life is worth living
There's no time to waste in this life
There's no time at all
So good to see the truth and touch
The spirit of freedom

I never thought that
I could ever feel this way
To see the warmest sunlight
On a cold and rainy day
Dawn wakes the silence
And I know that I can't wait
To hear the words
I wanna say again and again

So good to be alive and touch
The spirit of freedom - in your soul
So good to breathe the air and
Feel that life is worth living
There's no time to waste in this life
There's no time at all

There's no time to waste in this life
There's no time at all
So good to be alive and touch
The spirit of freedom - in your soul
So good to breathe the air and
Feel that life is worth living
There's no time to waste in this life
There's no time at all
So good to be alive and touch
The spirit of freedom - in your soul
