

Sunrise

Uriah Heep

Sunrise
And the new day's breakin' through
The morning
Of another day without you
And as the hours roll by
No-one's there to see me cry
Except the sunrise
The sunrise and you

Tired eyes drift across the shore
Looking for love and nothing more
But as the sea rolls by
No-one's there to see me cry
Except the sunrise
The sunrise and you

Sunrise
Bless my eyes
Catch my soul
Make me whole again

Sunrise, new day
Hear my song
I'm tired of fightin'
And foolin' around
But from now on
Till who knows when
My sword will be my friend
And I'll love you, love you
For all of my time
