

# That's The Way It Is

Uriah Heep

I've been thinking about  
What you said last night  
And for all your fine words  
You still don't have it right

'Cause that's the way that it is  
And you won't ever change  
You can scream at me but the powers that be  
Won't ever hear your voice  
'Cause they're lost in their own importance  
No, they'll never hear your voice

'Cause that's the way that it is  
And you won't ever change it  
Now I've heard all your stories  
Of how the few can be strong  
How you'll fight to the end  
Just to prove me wrong

'Cause that's the way that it is  
And you won't ever change it  
So don't come cryin' to me if your  
Fanciful schemes don't turn out like you planned  
'Cause you're chasing after something  
That keeps slipping through your hand
