

# The Spell

Uriah Heep

What do you think I am  
Do you think I'm dreaming  
Don't you know I know  
What it is you're scheming

Who d'you think gave you the right  
Hidden by the dead of night  
To take the world and  
Turn it upside down  
When it should be round

Seems I made it just in time  
To use my reason and my rhyme  
To save us from  
The evils of your mind

I will cast the spell  
Be sure I'll cast it well  
I will light a fire  
Kindled with desire

I'll fill you with fear  
So you know I'm here  
And I won't be treated like a fool

It's no good you pretending  
There'll be no happy ending  
I'm alive and darkness is my tool

But when the night is over  
And daytime steals your cover  
The goodness of the morning sun  
Will warm away  
What you have done  
And leave you cold

I have no need for moonlight  
You're wrong to trust in sunlight  
For I exist not just in storms  
But in life itself in so many forms  
To leave you cold

I will leave you now  
But you won't defeat me  
You had best beware  
When you come to meet me

Love and truth will follow me  
An army of reality  
Brought from every corner  
Of the world

You will never break the spell  
I'll summon all the fires of hell  
And this is my advice  
For what it's worth

Let us not begin  
This fight we cannot win  
Be sure you're watching me  
Cause all through your life  
Everyday and everynight  
You should know that  
I'll be watching you
