

# The Time Will Come

Uriah Heep

Riding on together  
Forever till the end  
Some people try to  
Come between us  
But we know they're  
Not our friends

So come on join our party  
Let the hours slip on by  
No more cares or worries  
No more asking yourself why

Can you hear us, can you hear us  
We're never far away  
Can you hear us, can you hear us  
This is all we have to say

All our love is true  
Even just for you  
Don't push us away  
Like we're of yesterday  
We never ask for more  
And we give in return

The time will come  
When everyone will listen  
The time will come  
When everyone will care  
Just look ahead  
What we said will glitter  
Like a jewel sailing softly  
Through the air

With everything to live for  
Sometimes you're  
Seeing just ahead  
Wear your vision and find  
That you're together  
In five different ways
