## The Time Will Come

## **Uriah Heep**

Riding on together
Forever till the end
Some people try to
Come between us
But we know they're
Not our friends

So come on join our party Let the hours slip on by No more cares or worries No more asking yourself why

Can you hear us, can you hear us We're never far away
Can you hear us, can you hear us
This is all we have to say

All our love is true
Even just for you
Don't push us away
Like we're of yesterday
We never ask for more
And we give in return

The time will come
When everyone will listen
The time will come
When everyone will care
Just look ahead
What we said will glitter
Like a jewel sailing softly
Through the air

With everything to live for Sometimes you're Seeing just ahead Wear your vision and find That you're together In five different ways
