## **Think It Over**

I've had all I can take I've taken just too much I've made a big mistake That put me out of touch I don't think I can face Another single day Without a call from you To take this pain away

So many tears ago You turned and walked away It could've been the end But I knew better I had to tell myself There'll be another day She wants to call it quits But don't you let her

Can't you see There's a chance for you and me Think it over Don't believe In the things that may not be Think it over

Why don't you think it over Forgetting you is out I ain't givin' in The fuss was down to you But it's not over You have to face the truth I'm still in love with you I have to make you see That it's not over

Why don't you think about it, babe
