I've had all I can take
I've taken just too much
I've made a big mistake
That put me out of touch
I don't think I can face
Another single day
Without a call from you
To take this pain away

So many tears ago
You turned and walked away
It could've been the end
But I knew better
I had to tell myself
There'll be another day
She wants to call it quits
But don't you let her

Can't you see
There's a chance for you and me
Think it over
Don't believe
In the things that may not be
Think it over

Why don't you think it over Forgetting you is out I ain't givin' in The fuss was down to you But it's not over You have to face the truth I'm still in love with you I have to make you see That it's not over

Why don't you think about it, babe
