

# Walking in Your Shadow

Uriah Heep

I'm walking in your shadow  
Ever since you went away  
And the clock on the wall  
Really hasn't very much to say  
Oh, you left me bleeding  
And left me needing you

In so very many ways  
I was trying to attract your mind  
But I'm the lonely one  
'Cause I've had to leave it all behind

Lied and deceiving  
Why should I be grieving you

Ride on a golden wave  
Set sail for the sun  
Make every cloud your slave  
Don't be alone

When I get back from my trip  
Of the ocean wide  
Still walking in your shadow  
And still looking for somewhere to hide

If I am worse off  
It's all because of you  
It's all because of you
