

## Whad'ya Say

Uriah Heep

Lady you're tyin' me down  
Turning my heart to stone  
And I can't help feeling  
I'd be better off  
Back out in the streets alone

Baby you're hurtin' me  
Deserting me again  
I looked for your loyalty  
And found a fickle friend

We could try to get back  
On the right track baby  
Or leave it, just throw it away  
We could pick it up, pack it up  
Make up or break up  
Let's try it again

Faced with this situation  
There's two things we can do  
A lot of it is up to us  
But most of it's down to you  
You know we  
Shouldn't play with love  
It's a dangerous thing to do  
So let's not get agony  
And ecstasy confused
