

# What's Within My Heart

Uriah Heep

Will I never see again  
The smiling faces of my friends  
Could it be they've gone completely  
And though thoughts will linger  
Sweetly in my heart

May I hear once more  
The bird calls my name  
May I be permitted just one friend  
To share my game

The one who doesn't give a damn  
For what I seem to be  
And really cares for what I am and  
What's within my heart

I believe the sun will shine  
And I know that given time  
The leaves will blow tumble and  
Cry upon the autumn stone below

And my heart grows tired each day  
As the sun grow cold  
Weary uninspired each day  
Til the story is told

You gave your love to one  
Who only wants what you seem to be  
And doesn't really care for you or  
What's within your heart

On my grave lay one black rose  
Do this for me but don't suppose  
Because I'm gone, my soul is dead  
For I'll be here in spirit  
And our love once more

There must be a heart somewhere  
In need of the love I have  
That will reach out in sincerety and  
Take my life in hand

Then I'll know it's not some one  
Who wants just what I seem to be  
The one who cares for what I am and  
What's within my heart

What's within my heart ...
