

# What Should Be Done

Uriah Heep

So you think  
You found a way of living  
That prevents  
You losing any sleep  
Well, my friend  
Take this that I'm giving  
It's your piece of mind  
You oughta keep

You'll run into trouble for sure  
By living behind a locked door

Will you run the risk  
Of being taunted  
By doing what you want to do  
Or do you prefer to have  
Your whole life haunted  
By the ones who  
Choose to care for you

Beware of their motives my friend  
Take care  
You're still there at the end

Watch out for winter  
It'll bite you with cold  
Black spirits trying hard  
To bribe you with gold

Would you steal a nickel  
from a blind man  
Well, right now  
I do believe you would  
It's not the thought of you  
Doing it that hurts me  
It's the mind behind it  
What's no good

If this is your way  
I don't want to know  
It's only so far I can go

I won't go no further  
Not for you or anyone  
I have my own ideas on  
What should be done
