

Who Needs Me

Uriah Heep

Don't take life for granted
'Cause you know that
Life won't grant you back
The feelings on the love
That you once had

You've taken me for granted
'Cause you know
I'm a lover just like you
And I'll do anything
You want me to

Who needs me?
Who needs me now?
You'll find someone
How you'll find one
Who needs me?
Who needs me now?
You'll find another but no better

You can't argue with me now
I needed you and
You did not know how

Don't let go of something
That is good when
I'll tell you it's bad
Let 'em hear the story
Make 'em sad

And if the price of love
Can cost you less than
When it first began
I guess that you won't
Find a better man

Who needs me
