

Why Did You Go

Uriah Heep

I woke up today
With my head in daze
'Cause my love had gone
With nothing to do
Just to dream about you
And how we went wrong

But oh, why did you go
I loved you so, didn't you know

I walk into town
With my head hangin' down
Tryin' to hide my pain
The people I meet
As I float down the street
Tell me try again

When I remember how good it was
It makes me cry
'Cause my life's been
Turned upside down
All I want is someone
But how do you say
Please will you stay
Please will you stay

I'll settle down to a life
Of a clown to remain alive
I'll work till I bleed
And if I can succeed
Maybe I'll surviv
