K.I.S.S.Y.O.U.

Come here love let me do what I do I wanna k.i.s.s.y.o.u. I know how to make you respond Giving you what I wish when I wave my wand I'm not afraid of what turns you on So just take your time let me into your mind I'm gonna give you a great massage Make you wanna thank god cos you ... so hard We could talk for a while start forming a bond Or just get busy, it's whatever you want Love I wanna be in your fantasy I'm a do what you want can you handle me, huh? I hope not I'd blow my top Until I hit the spot love just don't stop Come here love let me do what I do I wanna k.i.s.s.y.o.u. I'm a freak in the sheets but I'm not in the streets I won't cease or retreat til you're reaching your peak I got technique I'm a sensual male Keeping in shape and attending my nails No sharp edges or dirt on my hands No corny lines when I'm flirting with fans No drugs needed to get me to jam No lover that I had can do what I can do I got moves like Bruce Leroy and I'm a B-Boy Jewish like Leonard Nimoy but I'm not Spock Just a nice guy you can trust Whispering inside your ear trying to get you to blush I'm a A-plus lover you deserve the best Let me nibble on the cleft underneath your breast Let me press my flesh up against your flesh So you can feel my heart flutter inside my chest It's like ... Come here love let me do what I do I wanna k.i.s.s.y.o.u. I wanna have mind sex in the physical form Can you move your body to the rhythm I'm on This isn't a porn picture but it's making you warm You wanna snuggle up to me while I'm singing my song Love you're gorgeous perfectly flawless In my minds eye I'm painting your portrait All the nice guys wanna visit the florist You make little men grow big and enormous So let's see how can I please you? You're smelling so sweet any fella could eat you You don't need to worry cos I'm on the case Get ready for my love just give me a taste
