

## Round the Globe

Us3

Friends, countrymen, fellow Americans  
I just came back from overseas  
And they're carrying on about how we don't go out not  
travelling  
They doubt we even leave the house  
I'm not mad at them  
Cos for real there's still some places we haven't been  
In fact I'm in the airport now, I'm going back again  
Time's a wasting and I'm impatient  
I ain't waiting, I've been put in for vacation  
Ain't saying no more man I'm going to pack  
And when I hit the road I don't know how to act  
And if I like it I ain't going back  
We're going round the globe  
When will it stop, no-one knows  
We're going round the globe  
Round and round it goes  
Now it's noble to act global, but not staying local  
Sorry not me, too many places to go to  
Like Istanbul, not Constantinople  
Can't I show you the world  
Get out man why don't you  
Hopefully if you won't go with me  
You'll still want to see the world beyond TV  
Well I got my passport I'm ready to blast off  
I asked for the same seat I had on the last tour  
Ain't taking no bags just the clothes on my back  
And when I'm on the road I don't know how to act  
And if I like it I ain't going back  
We're going round the globe  
When will it stop, no-one knows  
We're going round the globe  
Round and round it goes  
Now I don't care if it's long or if it's a short visit  
Just come, countries look more different when you're in  
it  
I'm going back to NY when the tour finishes  
When I'm bored with it I'm back in a New York minute  
Forget it stay stateside  
I'm into the great wide open on the next thing smokin'  
Took a train ride up to JFK  
I just called to say bye  
The place I'm going, wherever this plane flies  
Ain't taking no bag just my coat and my hat  
And when I'm on the road I don't know how to act  
I don't think I'm ever going back
