

## Last To Know

US5

I'm not gonna be the same without you  
I don't wanna be a chapter out of your life  
I don't wanna make the wrong decision  
Can I come back home  
Is the love that we had still for real?

I'm feeling heart broken  
My life is torn and broken in two  
I'm crying these tears for you  
Girl, what can I do?

R: I don't wanna lose you  
I don't wanna let it go  
I don't wanna be the last to know  
I don't wanna leave you  
I just wanna be with you  
If there's more that I should know  
I don't wanna know

I don't wanna spend my days without you  
I don't wanna bring the heartache into your life  
People talking but I just don't listen  
I can't be alone, can't you see  
What this love's done to me?

I'm feeling heart broken  
My life is torn and broken in two  
I'm crying these tears for you  
Girl, what can I do?
