

## Your Love

US5

Girl, the only way to make things right  
Is for us to be satisfied  
So why you wanna waste my time

I've been thinking 'bout you day and night  
I can't continue with this life  
You better make up your mind

People say I shouldn't be so blind  
Beggin' after all this time  
But your love is my love, it's something I can't deny

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

Girl I need an explanation now  
On what this love is all about  
And how we're gonna work this out

Time (time) is passin' right before your eyes  
We gotta make a sacrifice  
Or maybe we should think twice

People say I shouldn't be so blind  
Beggin' after all this time  
But your love is my love, it's something I can't deny

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

I can't, I can't leave you  
I can't, I can't get enough

I can't, I can't leave you  
I can't, I can't get enough

I can't, I can't leave you  
I can't, I can't get enough

I can't, I can't leave you  
I can't, I can't get enough

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

I can't deny I'm beggin'  
I can't deny I'm playin'  
Why you wanna be so cruel to me  
Girl you gotta understand  
My love is your love  
It's a feeling I can't deny

I can't deny I'm beggin'
