## **Before I Go**

**Useless ID** 

I'm leaving, screaming My heart is bleeding now. Why would you take this life away from me?

Don't you let go ? It makes you sad, I know. We could've lived inside my 80's dream.

Before I go you should know that I'll always be here. How could they keep me away from you ? Everytime I see my reflection in your eyes, I know that one day you will be mine.

Imagine if we could disappear for a while, Nothing would come between us when were away.

A scary rerun deep inside my head. What could've happened to us if we had stayed?

Before I go you should know that I'll always be here. How could they keep me away from you ? Everytime I see my reflection in your eyes, I know that one day you will be mine.

Would we ever be the same if we let it fall apart ? Would we ever be the same if we let it fall apart ?

Before I go you should know that I'll always be here. How could they keep me away from you ? Everytime I see my reflection in your eyes, I know that one day you will be mine.
