

Lonely Heart

Useless ID

Grab me I can't see you falling down leave all the past behind
nothing can not stop us don't look back it will be a big mistake
just a waste of time, for us there is no future unless you will
try cause I can take a look straight at your eyes but you can't
take a look at mine you will just keep on telling me, telling
me lies. Still think that I won't mind. Still think that I won't
find. What's locked up deep inside. Inside your lonely heart
.
