

## Note

Useless ID

i heard this story you were in it, don't know if it's true  
lately every song i've written turned out about you  
i'd go all over town to find you're nowhere to be found  
and when i'm done i'll end up sleeping still you're not around

dreams are sending messages in bottles overseas  
the note inside is saying "leave him girl, be with me"

you're afraid to disappoint me, teenage angst is here  
maybe you prefer a person that ain't so sincere

dreams are sending messages in bottles overseas  
the note inside is saying "leave him girl, be with me"

i've heard about it  
the easiest way is to score  
i am so sorry  
but i feel i can give more to you  
can give more to you

give you more...
