

Weird Rock

Useless ID

You gave me winter day.
Oh, that's why I loved you.
You made it all the way home, so that I would find you.

Weird rock, all night.
It was all we wanted.
But, you and me were always meant to be a novelty.
I'm loss for words and you are lost in me, lost in me agian.
All the time I've been through hell.
You weren't even mine.
If you change your mind I won't be around, I won't be around.

You made me fade away from the pepole who hate you.
You took your stuff today then I woke up without you.

Weird rock, all night.
It was all we wanted.
But, you and me were always meant to be a novelty.
I'm loss for words and you are lost in me, lost in me agian.
All the time I've been through hell.
You weren't even mine.
If you change your mind I won't be around, I won't be around.
