

# Bedtime

Usher

Craving your body all through the night  
Feels like I'm going through withdraws  
I wanna hold you  
I want you inside of these of these arms  
I'm dying to taste you, I can't deny  
Can't get out of my mind  
Please let me hold you  
Cause I need your lovin' tonight

Whenever I'm near you  
My love just comes down  
Whenever I see you  
I just want you around  
Cause I wanna feel you  
All through the day and the night  
Whenever I'm near you  
It feels like bedtime

Constantly thinking of things to do  
Places where we can make love  
I wanna freak you  
I'll freak you wherever you want  
Placing my kisses all over you  
Caressing you so nice and slow  
Oh how, I want you  
Girl there's something I want you to know

Whenever I'm near you  
My love just comes down  
Whenever I see you  
I just want you around  
Cause I wanna feel you  
All through the day and the night  
Whenever I'm near you  
It feels like bedtime

I get so lonely  
Thinking about you  
You are the only  
Girl I dream of or think of at all  
I'm so into you  
Outta my mind for you  
Say you can't go a day without me  
Girl I love and I need you, I need you

Do you get lonely  
Thinking about you  
You are the only  
Girl I dream of or think of at all

Outta my mind for you  
Girl I can't go one day without needing you  
I just need to hold you U know that

Whenever I'm near you  
My love just comes down  
Whenever I see you

I just want you around  
Cause I wanna feel you  
All through the day and the night  
Whenever I'm near you  
It feels like bedtime
