Usher baby

Can't Stop Won't Stop

Hey, what's up, this is a jam
Turn it up, play it loud in the club
There's this fire, you're burning me up
Oh girl, yeah girl, I've been looking around the world
And right when I saw you I fell in love
And I want you forever, and ever, and ever

I Can't, can't, Stop it, I Can't, can't, Stop it

I keep your secret, them other ladies don't mean nothing
You're my favorite chick, I don't like them groupie hoes
Baby you're my dear
You can call me big daddy, let me call you all the time
Let me make you laugh, take them problems off your mind
Cause I don't wanna do all the normal things that all these other normal dudes do

You can't stop now, you can't stop now, you can't stop now
Don't stop now, don't stop now, keep it going now
Drop it ooh now

Turn it up, oh this is on fire
Burn it up,
I've been looking around the world
Right when I saw your face girl
I can't stop it now
I Can't Stop Won't Stop
