## **His Mistakes**

Do I remind you of the pain That he put you through, girl Is that the reason I'm to blame Before I do it: Is it because he, treated you so badly I always stand accused Protecting yourself, from somebody else I'm not who's hurting you, girl

And it's killing me girl knowing you compare me to him Always guilty before the sin I can't win, I can't win I'll do anything to prove I love you Baby girl would I refuse to Pay for something I didn't do I love you, girl But I refuse to stay Paying for his mistakes

He left a scar across your heart I understand, girl Don't let his wrongs tear us apart Cause girl I'm your man

Just because he did You swear I'm cheating You think I just don't care Why must I do time For another man's crime Girl you know that ain't fair

And it's killing me girl knowing you compare me to him Always guilty before the sin I can't win, I can't win I'll do anything to prove I love you Baby girl would I refuse to Pay for something I didn't do I love you, girl But I refuse to stay Paying for his mistakes

I know he did you wrong But tell me what does that have to do with me Trying to show you something real Figure out what is going on Before you look up and I'll be gone.. I'll do anything to prove I love you Baby girl but I refuse To pay for something I didn't do, girl I love you, and I love you I love you

I'll do anything to prove I love you Baby girl but I refuse To pay for something I didn't do, girl I love you, girl But I refuse to stay Jistenor for this mistakes
