

# How Do I Say

Usher

A foreign beauty so exotic  
When she smiled at me  
She took my breath away  
She's reminiscent of a goddess  
It's a shame that we could not communicate  
How do I say

How do I say hello?  
I just wanna talk to you  
How do I say you're beautiful  
When I can't take my eyes off you  
I don't wanna say the wrong thing  
I want just the right words to impress you  
Mujer bonita, how do I say, how do I say?

How do I say?  
The room was filled with a sweet arom  
When she danced her hips moved oh so sensuous  
She speaks with her body, so united  
In the language that I will never forget

I hear her calling  
Spinning around in the crowd cause she found me  
And when she started moving closer and closer  
Does she know that i want her, I want her  
I wanna be with her tonight  
So I caressed her face, kissed her lips  
In my life, I've never felt like this  
I've never had a lost for words  
One kiss from her has got me feenin'

How do I say hello?  
I just wanna talk to you  
How do I say you're beautiful  
When I can't take my eyes off you  
I don't wanna say the wrong thing  
I want just the right words to impress you  
Mujer bonita, how do I say, how do I say?

How do I say hello?  
I just wanna talk to you  
How do I say you're beautiful  
When I can't take my eyes off you  
I don't wanna say the wrong thing  
I want just the right words to impress you  
Mujer bonita, how do I say, how do I say?

How do I say hello?  
I just wanna talk to you  
How do I say you're beautiful  
When I can't take my eyes off you  
I don't wanna say the wrong thing  
I want just the right words to impress you  
Mujer bonita, how do I say, how do I say?
