

## Interlude 1

Usher

Love, such a lonely place  
Nobody wants to be alone  
To have the world, who your willin to share with

I am so alone,  
I can't stand this feeling of being without you,  
I'll do whatever it takes to prove I truly love you,  
Don't, let me go, lets stay together, forever, and ever, can't  
sleep without you by my side
