

# Separated

Usher

Oh no, no, no, no

If love was a bird  
Then we wouldn't have wings  
If love was a sky  
We'd be blue  
If love was a choir  
You and I could never sing  
Cause love isn't for me and you

If love was an Oscar  
You and I could never win  
Cause we can never act out our parts  
If love is the Bible  
Then we are lost in sin  
Because its not in our hearts

So why don't you go your way  
And I'll go mine  
Live your life, and I'll live mine  
Baby you'll do well, and I'll be fine  
Cause we're better off, separated

If love was a fire  
Then we have lost the spark  
Love never felt so cold  
If love was a light  
Then we're lost in the dark  
Left with no one to hold

If love was a sport  
We're not on the same team  
You and I are destined to lose  
If love was an ocean  
Then we are just a stream  
Cause love isn't for me and you

So why don't you go your way  
And I'll go mine  
Live your life, and I'll live mine  
Baby you'll do well, and I'll be fine  
Cause we're better off, separated

Girl I know we had some good times  
It's sad but now we gotta say goodbye  
Girl you know I love you, I can't deny  
I can't say we didn't try to make it work for you and I  
I know it hurts so much but it's best for us  
Somewhere along this windy road we lost the trust  
So I'll walk away so you don't have to see me cry  
It's killing me so, why don't you go

So why don't you go your way  
And I'll go mine  
Live your life, and I'll live mine  
Baby you'll do well, and I'll be fine  
Cause we're better off, separated
