

# Simple Things

Usher

Yeah, uhh  
They say money can't buy you love  
They say money can't buy you love  
They never seem to listen  
I'm all ears

Just copped your girl a brand new Rolex  
But you can never find the time to spend at home  
Thinkin' it's gon' keep her happy  
When time is all she wanted all along

It's the simple things in life we forget  
You hear her talkin' but don't hear what she said  
Why do you make something so easy so complicated  
Searching for what's right in front of your face  
But you can't see it

So you think that you know what's important  
Steady chasin' your fame and your fortune  
But you don't know  
You're chasing a dime losin' a treasure  
Those dollars don't make sense to me at all  
Ooh, it goes

Duh da duh da  
You give her spending money  
Duh da duh da  
But all she wanna spend is time alone (tonight)  
Keep givin' her  
The finer things but  
But she don't really need that  
If you don't stop you're  
You're gonna end up alone (alone)  
The world without love (duh duh da duh da)  
Why would you do it

It's the simple things in life we forget  
You hear her talkin' but don't hear what she said  
Why do you make something so easy so complicated  
Searching for what's right in front of your face  
But you can't see it  
(2x)

It's the simple things in life we forget  
You hear her talkin' but don't hear what she said  
Why do you make something so easy so complicated  
Searching for what's right in front of your face  
But you can't see it (listen)

Stop tryna buy her love  
'cuz you won't ever have enough  
There's always someone with more than you  
You need to pay her attention  
Give her what she needs  
Do the simple things  
Before you lose your girl to me  
Yeah yeah yeah yeah yeeah

Yeeeah yeah  
Play on playa  
Yeah  
Your girl comin' wit' me shorty, haha  
I'm tellin' you man  
'cuz u know

It's the simple things in life we forget  
You hear her talkin' but don't hear what she said  
Why do you make something so easy so complicated  
Searching for what's right in front of your face  
But you can't see it

You better look out  
I hear you talkin', i hear you talkin' (ha)  
But what are you saying  
Oh hoo oh hooo  
Don't be a fool  
You got a good thing  
Man are you blind  
Stupid or crazy?  
You got a good thing (uh)  
You got a good thing  
If that's your lady  
You better hold on  
And give her what she want  
Before she move on  
Man I tell you cars, clothes, and fancy things don't mean a damn thing  
If you ain't kickin it baby

It's the simple things in life we forget  
You hear her talkin' but don't hear what she said  
Why do you make something so easy so complicated  
Searching for whats right in front of your face  
But you can't see it

Don't let this be the thing you'll always regret, no  
It's right there, it's right there
