

# So Many Girls

Usher

The king is back

Hey ladies, you know what time it is  
U ready playboy?  
Usher baby let's go!  
U looking good, so fucking good I wanna celebrate  
And I love the way you doing  
Girl u so fly I am bout to levitate come on come on let's go  
If the lights bounce off the gown, baby I can't help but stare  
And if the lights is goin down walkin flashes baby  
It feels very good in here

So many Girls so we need champagne  
Relaxed metane, Wait a Minute Let Me Do My Thing  
That I Still want still my drink  
(2x)

So Many girls! (Asian Cocasion Asian Jamican)  
So Many girls! (Brazilian I Swear I Got A Million)  
So Many girls! (Egyption Do You Fit At The Scription)  
So Many girls! (All Over The World! All Over The World)

Tell the waiterness I need another round you hear the bassline coming to the  
ground you know it's on when you make that sound  
I can take you home right now!  
(2x)

So many girls! and you and you and you

We on that drunk so everything is in slowmotion now these bottles are just c  
oming but I still ain't try slow it down let's go!  
When the dj says last come I'll be standing on the wall  
Screaming from the windows to the walls it feels good to be a star  
Got a life fore my sigar

So many girls so we need champagne relaxed metane, wait a minute let me do m  
y thing that I still want still my drink  
(2x)

So Many girls! (Asian Cocasion Asian Jamican)  
So Many girls! (Brazilian I Got A Million)  
So Many girls! (Egyption Do You Fit At The Scription)  
So Many girls! (All Over The World! All Over The World)  
(2x)

Can't decide witch one I'll be taking home  
(I can take you home right now so so many girls)  
There every other that waiting on

So many girls so we need champagne relaxed metane, wait a minute let me do m  
y thing that I still want still my drink  
(2x)

So Many girls! (Asian Cocasion Asian Jamican)  
So Many girls! (Brazilian I Got A Million)  
So Many girls! (Egyption Do You Fit At The Scription)  
So Many girls! (All Over The World! All Over The World)

Tell the waitress I need another round you hear the bassline coming to the ground you know it's on when you make that sound I can take you home right now!

So many girls!

(2x)

Usher were back with this one baby this time we gon roll this over  
I see you mal damn! yeah come on turn the lights off
