

# Stronger

Usher

Been through hell, now I'm helpful  
Pouring cups of whiskey to get through it  
Oh sweet child of mine, gone way too soon  
Lost myself and lost my faith too

I've had my share of ups and downs  
I've had my share of down and outs  
Baptized in a river and almost drowned  
That's when I figured out  
I'm stronger than ever now, stronger than ever now  
I'm stronger than ever now, stronger than ever now  
Stronger than ever now  
Ohh  
Walk through fire now I'm fireproof  
Forever wear these scars like tattoos  
Finally found paradise right in my view  
And it's killing me that I can't share it with you

I've had my share of ups and downs  
I've had my share of down and outs  
Baptized in a river and almost drowned  
That's when I figured out  
I'm stronger than ever now, stronger than ever now  
I'm stronger than ever now, I'm stronger than ever now

(Stronger than ever now)

Though you're gone you still live in my mind  
The only thing we ran out of is time  
Since you left I ain't been quite the same  
I wonder if you miss me, do I make you proud  
Know you're watching me, I feel your spirit  
I keep you right by my side  
I'm stronger than ever now, far from perfect  
Life will knock you down, get back up  
Fight for what's worth it  
Be strong enough, I know it's easier said than done

Stronger than ever now  
I been through it, now stronger  
Stronger now, hey stronger now  
All that I been through some how I found my way out  
Long as I believe in me, I know I can make it  
I know you'll make it, cause you're stronger  
Stronger than ever now  
Stronger
