

# Think of You

Usher

Oh yeah  
Sh de da de dup dem de doo

All the time I think of you  
Holding on to someone new  
Don't make me lose my mind  
Seems like I been here before  
Baby I can't take no more  
Of you trying to play me out baby

I feel so strange thinking about you  
After all the wrong you've done to me  
I can't go on feeling like I do  
Cause my heart loves you  
I'm so confused

Don't waste my time  
Cause someone like me you'll never find  
I thought we had a good thing  
But I was wrong and now I must move on

To another love one that I can trust  
With my heart I know she'll never run away  
Just can't talk no more  
So I'm out the door  
Talk to me  
Why you wanna play love games

Don't waste my time  
Cause someone like me you'll never find  
I thought we had a good thing  
But I was wrong and now I must move on

Don't waste my time  
Cause someone like me you'll never find  
I thought we had a good thing  
But I was wrong and now I must move on
