Think of You

Oh yeah Sh de da de dup dem de doo

All the time I think of you Holding on to someone new Don't make me lose my mind Seems like I been here before Baby I can't take no more Of you trying to play me out baby

I feel so strange thinking about you After all the wrong you've done to me I can't go on feeling like I do Cause my heart loves you I'm so confused

Don't waste my time Cause someone like me you'll never find I thought we had a good thing But I was wrong and now I must move on

To another love one that I can trust With my heart I know she'll never run away Just can't talk no more So I'm out the door Talk to me Why you wanna play love games

Don't waste my time Cause someone like me you'll never find I thought we had a good thing But I was wrong and now I must move on

Don't waste my time Cause someone like me you'll never find I thought we had a good thing But I was wrong and now I must move on
