

# Throwback

Usher

Oh!

Oh ho!

(Mmm you gonna want me back)

(The last words she said to me now I'm wishing she was still here wit me)

(You know your gonna need me)

And now that day's here, ya man gotta shed tears.

(Mmm you gonna want me back)

You never miss a good thing till it leaves ya

Finally I realized that I need ya

I want ya back

Baby girl I need ya back

Gotta have ya back, babe

Heartbroken when you left my world

Man I wish I woulda kept my girl

I love you

I don't know what I'm gon do without my baby

It's driving me crazy (It's driving me crazy)

'Cause I'm missing my baby (Missing my baby)

I'm goin' out of my mind and I'm runnin' out of time

Oh I just wish I could find you, girl

Said I'm about to go crazy (About to go crazy)

'Cause I been needin' you lately (Needing you lately)

I'm goin' outta my head and all the things that I said

I wish that I never said them now

Aww baby

What you say now?

(Your gonna want me back)

And still I want you, want you, want you, want you, want you

Need ya babe

If I could rewind the time

And get inside ya mind

I would take back all my words

I didn't see it, I couldn't see what I was doin' babe

See baby girl I was blind

And I wish that I could try

To be the man that you deserve

Give me one chance to make it work

It's driving me crazy (It's driving me crazy)

'Cause I'm missing my baby (Missing my baby)

I'm goin' outta my mind and I'm runnin' outta time

Oh I wish I could find you girl

Said I'm about to go crazy (About to go crazy)

'Cause I been needin' you lately (Needing you lately)

I'm goin' outta my head and all the things that I said

I wish that I never said them now

(Mmm you gonna want me back)

Wish I could throw it back

I want it the way it use to be

(Your gonna need me)

(Mmm your gonna want me back)

Give me one chance to make it work!

It's driving me crazy (It's driving me crazy)
