

# What's Your Name

Usher

Ey Girl  
Ey ey ey girl  
Ey ey eh eh ey girl

Whats your name?  
Baby, whats your number?  
Cuz girl you got me, you got a brother wondering if you wanna, homie and a l  
over  
I can be you friend till the end

Girl, wassup  
Im going crazy  
Ey girl wassup  
Cuz i wanna know if i can love ya  
Yo girl wassup  
Yo wont ya be my lady ah?  
Ey girl wassup  
I wanna know who you are  
Whats your name?  
I wanna know who you are  
Whats your name?  
I wanna know who you are and make you a star  
Girl, im giving you everything cuz my love is yours

Whats your name and number  
Damn your double deed  
Is making willie mumble (yo)  
Jilie jolies im a rock ya like we get down  
What you digets,  
You put it in my phone  
Hit me when ur all alone  
U could call on me  
We'll flirt with technology girl

Now Girl, wassup  
Im going crazy  
Ey girl wassup  
I wanna know if i can love ya  
Yo girl wassup  
Yo wont ya be my lady ah?  
Ey girl wassup  
I wanna know who you are  
Whats your name?  
I wanna know who you are  
Whats your name?  
I wanna know who you are and make you a star  
Girl, im giving you everything cuz my love is yours

Whats your name?  
Yeah Baby, whats your number?  
Cuz girl you got me, you got a brother wondering if you wanna, homie and a l  
over  
I can be you friend till the end- till the end

Would it, it should be a problem  
If a holla, ocomo se llama?  
Would you bother like Donna Summers

Girl give me this last dance  
As we are slowly skatin babe  
Don't wanna float away  
Cuz we got the light you be the ball and imma be the chain babe  
Now rotate (round and round and round)  
You got nowhere to go babe illuminate and create a new thang  
Let em paparazzi this you and me thang  
But we can't do a thang till i know your name

Now Girl, wassup  
Im going crazy  
Now girl wassup  
I wanna know if i can love ya  
Girl wassup  
Wont ya be my lady ah?  
Yeah girl wassup  
I wanna know who you are

Hey bizich let's get wit it  
Cuz you ti tick did it  
Mami make a brother wanna di di dig it  
The honey put it on me now im speakin like d-d-this  
Jus like d-dis  
I'm a  
Take silicon and imma starter  
My ding ding dotter  
Love anything she can love my  
Anything totter  
.....  
What's ya name?  
.....  
What's ya name?

I wanna know who you are and make you a star  
Girl, im giving you everything cuz my love is yours

Ey girl  
Ey girl  
Ey girl  
Ey girl
